Have asked that info and should know next week. Also asked what times shore excursions are and when passengers get back to ship.

We will do welcome signs and distribute to all businesses downtown and Ports O Call.

Looking forward to working with everyone to make this a great port call for these cruise passengers.

Katherine-Thank you for the email! Do you happen to have any specific details of how many are pre-booked forshore excursions vs. the number that will be on their own? This will help us plan accordingly.
